I think "Everybody fucks" is right...

Better you just turn away, and play dumb.. In fact, that's what most people do, they get all Agro, cause they know there's a case to deal with, and CAN'T deal with it..

So I ask you again.

How do you explain the facts listed here ?

Are you too scared to respond because you "might" be wrong ?...  
The evidence is strong, and your'e argument is oh so very weak Fredrick..

Huh Fredrick ? What's wrong.. You okay.. what's a matter...

I know people like you, most of the time they become politicians, it's a good thing you don't count or make a difference...
