But, Bob, since the Jew propaganda says that you folks are so  
humanistic, philanthropic and charitable and rich why don't YOU  
start to do something about what you are bitching here about .

You know, in the spirit of Kennedy who said "A rising tide lifts all  
boats," So, kick down Bob, help the broasers, with books, YOUR  
presence for tutoring, help'em pay their rent, etc.....you wouldn't  
wanna be a racist and hold it against the Schwartzers that they  
are black. That would be so un-Jewish, wouldn't it. Instead improve  
their culture, integrate, have your daughters marry them... bring  
peace to the world, Bob.....AHAHAHAHA.....ahahahaha..

Or, Bob.....look at your obligation from a historic point of view.

Persistent stories have it that there where a lot of Jews who profitably  
engaged in the Slave trade (with Arabs, your current enemy for whom  
you have "advocated massive genocide") So, Bob in the spirit of  
reparations (like your holocaust industry but with the shoe on the other  
foot now) you really should do something about this, instead of blaming  
the Blacks victims for their condition which you (collectively) have helped  
to bring upon.
