There must be a lot of brainwashed people in Russia too, because they also

have an equivalent to H.A.A.R.P. and G.W.E.N. called The Woodpecker. The

N.S.A. is headed by a U.S. military officer of flag rank, usually some

general or admiral. Debbie Smyth, you should familiarize yourself with these

following web sites:

The Pentagon has admitted that the U.S. intelligence agencies called the

N.S.A, C.I.A., and Cointelpro has the technology to pick up the private

thoughts given by individuals in the vibrations produced by the brains

electrical impulses, and that these thoughts can be broadcast via satellites

sci.physics: Re: HAARP: Is Mind located in Tsunami Wave Function?

and any other form of technology which uses electromagnetic transfer, i.e. television, radio, the internet, and the telephone. The Pentagon calls this mind reading technology SYNTHETIC TELEPATHY, although there is nothing paranormal about it. If you don't believe me, then see this internet link: Covert Operations of the U.S. National Security Agency at http://www.mindcontrolforums.com/pro-freedom.co.uk/cov_us.html

and GWEN: Ground Wave Emergency Network-Powerful Antennae Controlling Humanity, or CONTROL OF HUMANITY:CHEMTRALS, G.W.E.N., H.A.A.R.P in <http://www.world-action.co.uk/gwen.html>

Another web site devoted to synthetic telepathy and subliminal, subconscious brainwashing, can be found at <http://www.nwbotanicals.org/oak/newphysics/synthtele/synthtele.html>

Look up under the Google Search Tool Box this heading:

OAK.: New Physics-Sythetic Telepathy and the Early Mind Wars, or Synthetic Telepathy and the Early Mind Wars, by Richard Allan Miller,

I began my search under the Google Search Box with the following heading :

Electrical Impulses of the Brain and Telepathy Radar.

Also, there is an interesting article called "Brain wave technology could change lives: Imagine controlling a computer using only your thoughts." This technology already exists in the civilian economy as a means of playing video games, for example. See this link: <http://www.msnbc.msn.com/id/6661974/>

The article was written by Robert Bazell, correspondent for NBC News. As bad as Adolf Hitler and Joseph Stalin were, the antichrist will be far worse.

All of the above brings to mind these references from the Bible:

Ephesians 2 : 1 – 2:

1 And you He made alive, who were dead in trespasses and sins,

2 In which you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience,

and Ephesians 6 : 12:

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.
