*>From an other post:*

MS windows for me will stay that pay for every mouseclick kids stuff.

Yep.

And with DRM coming you will have to pay every time you watch, a communist idea to disallow private property (of music), by the Pol Pot of computing, a Bill Gates.

I will have to hang on to this DRM free box, it may be valuable in the future.

Once they F\*ck up the hardware, use the old PC from the attic, do not throw it out.

If you know your stuff.

Ok, my view on transcoding ....
