My friend "Sharon" says:

>*Running a country is not as simple as building a "career"*  
>*honey. You've never done that, even since 1948. You don't*  
>*even know where to go to get what you need. You don't even*  
>*know what it is that you need. So work for us for now till*  
>*you mature.*
