..... ahahahahaha..... AHAHAHAHA..... ahahaha....
Tom-Tom CrackPotter <tdp1001@xxxxxxxx> cranked himself grievously, barked and whined, instead of apologizing to the Ladies he, Tom tdp, advocated to murder and then to piss on, in his news:1112519619.217670.71770@xx in retort to hanson's [news:vFN3e.1508\\$N13.1055@xx](mailto:news:vFN3e.1508$N13.1055@xx)

.....ahahaha... AHAHAHA... ahahaha.... Tom-Tom, why do you have that uncontrolled yearning and fetish to turn me into one of the kind of people you loath, the Jews, and then in your next highly exited breath you see me as a Muslim, your friends?... ahahahahaha... AHAHAHAHahaha...

But seriously Tom-Tom, which of the following items was it that caused you to produce your unbridled dis-jubilation about/against me ?... was it because

- a) you are a *rectilian pile driver* (with a "c" not "p")
- b) you are a *yellow Pinko* who doesn't have enough class nor sufficient morals to apologize to the ladies.
- c) Potterites were labeled with: "Big Mouth... Small Dick..."
- d) you don't wanna say what "Piped Pipe" you're sucking on?
- e) you did let the world know that you suffer from a lack of morals, as there is no piety in you, Tom?

Re: The physics of music.

change the world... They are preciously hilarious. Let them "sing" & enjoy watching their self-inflicted suffering... ahahaha...

There is already a good number of sub-intellectuals here at this NG cyber party whose only claim to fame is to advocate the murder of their imagined enemies. Little do these fanatical boogers know that they are exactly like the qualities they hate in their imagined enemies whom they suspect are out to murder them... ahahaha....
Nourish their paranoia and have fun with them... ahahahaha!

Foremost amongst such cyber heroes and by far the most prodigious one is "genocidering" ersatz rabbi Bob Kolker with his large scale final solution for millions, followed by Vendickarse DickArian, aka Scott Nudds, the loud Chairman of the 3 member strong RBC the "Re-Born Communist" party, who is comparatively modest by compiling his list now to hang several hundred thousand of "Repubilcans" (his choice of spelling), and then there is Tom Potter, tpd 101, the yellow Pinko, who is more specific and just want to see a blood fest for Bush and Family. Typically for his ilk, tpd doesn't have enough class nor sufficient morals to apologize to the ladies he advocated to be murdered and then pissed on.

In flight-school we labeled that kind: "Big Mouth... Small Dick..." ahahaha... ahahahanson

PS:

[Tom]

> > No doubt, I am the Piped Piper...

[hanson]

Yo, Tom, no doubt you're having wet dreams about being a Piped Piper? What "Piped Pipe" where you sucking on? Or did you call yourself Piped Piper because you were not nearly as pied as the old Pied Piper? Is it a Freudian slip again with you letting the world know that you suffer from a lack of morals, as there is no piety in you, Tom? Thanks for all the laughs again, you old obnoxious fart.
ahahaha.... ahahanson
