It is interesting to see that Harry Hyena hanson suggest that all instigators of war-for-profit, are Jews.

As can be seen by the examples of Bush, Blair and Cheney, this is not the case.

And all Jews are not instigators of conflict and war, and more than all Gypsies are fortune tellers.

I love good Jews, good Muslims and all good folks, but I do hate people who instigate conflict and war, no matter what race or religion they are.

I am still hoping that Harry Hyena will join with me in exposing and chastizing, the people who instigate conflict and war, as this is the greatest root cause of mankind's misery.
