Well I must be a pretty good instigator,

as I have Harry Hyena hanson  
ranting, raving, threatening, name-calling, lying,

and trying to "instigate":

1. Some nut to assassinate the president,  
so he can blame it on Goyim.
2. Some Jewish government employee  
to give me a hard time.
3. The Jewish head of Homeland Security  
to give me a hard time.

Frankly, I don't believe Harry Hyena's threat  
that Jews in government would be able to successfully  
target and hassle a 100%, all-American,  
Jeffersonian, free-market advocate, like me.

I assert that the few Jews in government,  
who put race and religion above  
truth, justice, fairness, and Jeffersonian Principles,  
don't control the American people.
