23000 acres Kibooooooooom.
1 million nice 24 inch logs.
380.000 7 inch logs.
cut 130.000 logs a year.
4 ton each , \$ 2000
\$ 2000 X 130,000

Count the logs as inventory .
\$ 26,000,000
as woodpulp.
\$ 7200 log X 130,000
as shit paper.

\$ 60 million bucks a year for doin nothin.

How much does Kiboom make a year ?
\$ 66666

How much is a kibboom worth ?
You think yer credit sucks and you dont have a chance in hell cuz no-one
will lend you a dime .
Dont ask the bank stupid..
Ask japan !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
ASK DUNNS !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Knock a few bucks off market price and youll pay it all off today.

Go count the trees or do it one line from a webtv and use spaceimaging
or a terrasearer ad look evry acre over and count tree tops.
Take an inventory number and show the terra images to your contact
buyers.

You can be a dumbass forever ..be fucking brilliant just just once
!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Wile a billionaire lauphes at you ,,waiting for you to try it cuz
Ill be selling you some ground and letting my people contract it and you
cant loose .
Thats like giving a forest away so the fucker will take good care of
it.
Im not going to die and let uncle slam fuck up 980,000 acres.

Re: Foissant! (was: Gasflow along surface)

Re: Foissant! (was: Gasflow along surface)

100 million trees.
the production chains will continue .
Why dont you do it kibbboooo
?
ill slide ya 20 grand to go look it over ..
it like the first one I bought.
The house is 3500 logs sleeps 50.
Ill toss in a dozen boats .
It could be a ski lodge real easy .
well it is but it is privet..
it does have a lear runway .
Biuld a new house ..

I have another bigger forest and some of the sea shore in maine. Its
90,000 acres.

87 inventions ,,but 5 of them you wipe your ass with.
I spray pulp and no one else does.
I use 1/1000 the water .
I grind it with heat then spay it dry and wet and press .
My system produces more for less.
I invented a dry air pulp aplicator .
I make toilet paper cheeper and faster .
I set the world price on shit paper.
I never worked in the plant .
I hire and they hire.
I hate paperwork too..
I don't do shit.
My hydroelectrics pay the big easy bucks.
If I stopped trading and making shit paaper the world would shit.

What you got better to do ??
Your kids and people will love the 23000 acres and all that money .
fly to nyny for dinner and a movie and back..
take t
