Uncle al has 1 xmass present in my cleveland wearhouse . Its a nuke flame job Hummer wheelchair custom . Its been there for a few years ,, never found out where to send it.

I dont like the moron ,,but credit goes where credit is due. my xmass list is 1 million bucks to evryone on the list. I dont pick the xmass list on a nead base . I use a base that is only relivant personal contributions. each year I pick 50 more.

al earned his hummer for a statement about native indians . Im alaskan russian indian.

It was one point and not his intension and not directed at me ..but I used that statement for alaskan indians and stole the quote. so Uncle al still has a hummer in the cleveland shed. I had forgotten all about it.
