Like it or not. Once the towers were hit, the idiots in gov decided to  
demo them befor they can fall over and waist 10 blocks.  
3 weeks befor they got hit !  
I planted a trick ,,I bitched that no airforce planes no fighters  
flew..and no tape of the pentigon impact was ever shown ,,so they  
showed 3 seconds...  
Your democrocy was scrapped and replaced by nasa the money laundering  
systems of the corupt fascis pigs that stole usa.

I take it back. You aren't an idiot. You are simply insane.
