[quote]

A place which could act as an advisory body to politics and whoever and would be an internal venture to foster global unity.

[unquote]

that should read International not internal.

You know last year we even found the island, it was in the Gulf Islands, and it was even for sale.

<http://gulfislandsguide.com/real-estate/norway-island.html>

and we also found out that Bill has his own island, where he was building some sort of dream home or other, about a mile away.

well maybe more like 5 miles away. But near there anyways.  
I really should use that preview button in google.

.
