Containers are ok for a few 10 containors.

But thats 40000 bucks shipping.

300 containors is cheeper own your own boat or ship charter.

ShipWanted – charter needs

Address:<http://shipwanted.com/charteradsgrid.cfm>

brokers watch these to hand loads to ships when you need a ship to charter to haul a load for you.

for 200,000 bucks they haul your 3000 tons.

.
