I will be published in 2007 Galilean Electrodynamics,
Massachusetts,
USA.

RED FLAG!

The journal may be new or old , to start with it is all right. Moreover
it is in record in conferences from USA , England and Europe.
It is true.

Have you read any of the bullshit papers online at Galilean Electrodynamics?
<http://mywebpages.comcast.net/adring/>

Give me a blanking break!

.
