Some interesting staistics:

Google searches ----- Hits

"Tom Potter" crackpot 983
"Tom Potter" crank 1,280
"Tom Potter" idiot 620
"Tom Potter" Jew 18,300

It is sad to see that Double-A,
has wasted an enormous amount of time,
spamming the news groups
trying to discredit Tom Potter,

because he is all bent out of shape
because Tom Potter pointed out that
Jews have come into conflict with all of their neighbors
throughout history,

and that Jews instigated and profited from
the Class Wars of the 1900's
(German reparations, numerous holocaust scams, etc.)

and they are instigating and profiting
from the Religious Wars of the 2000's.

Re: Proposal to change the name of sci.physics

For example, A New York Jew (Larry Silverstein) paid out 14 million dollars for a 99 year lease on the World Trade Center two weeks before 911, (As the Jewish tenants were moving out.)

and Silverstein has collected over 5 billion dollars from the insurance companies.

Silverstein is paying the City of New York 10 million dollars per month on the lease, (120 million per year.) while he sits back and collects 400 million per year interest on the 5 billion dollars,

and to top it off, Silverstein is holding the rebuilding of the WTC hostage, and the Taxpayers of New York are having to rebuild the WTC largely at their expense.

You can bet that little of the 5 billion dollars will end up where it should (Rebuilding the WTC), and most of it will end up in the pockets of Jews, and the taxpayers of New York will end up with a big hole in the ground, as the Mayor of New Orleans recently pointed out.

As can be seen from the media, from politicians, and the Internet, Many Jews are aggressively trying to con American Blacks, Latinos and Rednecks into sacrificing their lives, limbs, liberties and fortunes, to wage war that only Jew profit from.

Considering that Double-A follows Tom Potter around, and puts forth so much time and effort trying to discredit him, one has to wonder why Double-A does this.

One might get the idea that Double-A is a member of the gang that instigates conflict and war for power and riches, and that he wants to see American Blacks, Latinos and Rednecks die and be maimed so that Jews can profit from it.

It is interesting to reflect on the fact that the Google search on "Tom Potter" and Jew calls up an enormmous number of posts, as Jews like Double-A systematically gangbang folks who point out historical truths that they prefer to remain hidden.

The definition of "bigot" is:
"A prejudiced person who is intolerant of any opinions differing from

Re: Proposal to change the name of sci.physics

his own."

As can be seen by laws prohibiting "holocaust denial", Jews gang banging actors, posters, politicians, etc. who express an opinion differing from theirs, etc., and gang banging the families and friends of folks who have an opinion differiong from Jewish dogma, Jews like Double-A have institutionalized bigotry.
