[Tom to Eric]

Any 22 year old boy from the back woods, would look like an "idiot" if he barged into a group of more intelligent, more experienced men, and made all kinds of stupid posts, in an attempt to get attention.

Hey, Tom, take it easy on Eric. All intelligent youths are always rebellious and loud mouthed, ... not only Jewish youngsters. So, be happy to see here a good counter-balance in/with Eric. BTW, were you a child prodigy yourself, who never did like Eric?...

[Tom to Eric]

When I was in Alaska, a few guys kept a board with a knothole in it in their bedrooms. I suggest that "Eric Gisse" get himself one of those boards, and stay off the Internet, until he grows up.

ahahahaha... Yeah, I bet that Eric will be profoundly impressed by your "pappy" advice here.... ahahaha...AHAHAHAHA... I say, "No Sale" by you, Tom,... But, thanks for the laughs.... ahahaha.... aahahanson
