He's all yours, enjoy your practice. I've dumped the unworthy muggle  
as a no contest lightweight. He seems to have missed the \*plonk\*  
by replying. Not too smart, that.

Yeah, been saying that. He thinks collecting dots makes a person  
intelligent, never mind whether or not you're able to connect them.

Whereas you think that simply repeating incorrect "facts" with strongly,  
with conviction, and tossing insults at the people who try to correct your  
errors makes you "right."
