| OH GOD, Andro, I GET SO HOT when you start doing "proof by
| assertion"! You can shove your "fucking aether" up my hot arse
| anytime you want! And you know I can't enjoy it unless you call me
| names and abuse me at the same time. I am such a naughty low worm and
| so DESERVE to be punished!

That's for Schwartzshit, she's the crank that pisses and moans about it.
I fight fire with fire, you are just collateral damage. If you can't take
the
heat, stay out of the kitchen. Schwartzshit might be interested in your
hot arse if you suck her clit, I'm not.
