Another broken bullshit meter

we have been seeded upon this planet by way of spirit into a life form of man and given one primary mission– to cultivate this planet to complete utopia–

[snip crap]

Mankind is placed upon the Earth to squat in mud and offer pain,

Iesus Christus dicendo "Poenitentiam agite adpropinquavit enim regnum caelorum" omnem vitam fidelium penitentiam esse voluit.

Yahweh is singularly disinterested in human suffering other than to inflict it. In the whole of human history across the entire planet not one deity has volunteered Novocain. It is a telling omission. Can God make a collection plate so vast that even He cannot fill it? Sure! ALL OF THEM.

Have you ever smelled India?
