To read the stories of a few of the many folks who have been victims of Institutionalized bigotry [& thrown in jail] visit the web site below.

wherein it says:

= Dr. Fredrick Toben, an Australian citizen, visited Germany, for a private discussion on the Holocaust laws in Germany, which make it mandatory to accept the entire Holocaust story. Toben was arrested in April, 1999, and sentenced to 10 months imprisonment for being a "holocaust denier".

= Dr. Robert Faurisson was at least 10 times physically assaulted by Holocaust Enforcers; on several occasions nearly killed. Jaws broken. Teeth knocked out. Hospitalized for weeks for "Revisionist movement".

= Judge Wilhelm Stäglich was tried and convicted in post-war German courts. Had his doctorate stripped from him and his pension cut for speaking out.

= Joseph Burg (Ginzburg) was persecuted and beaten by Holocaust Enforcers of Jewish Defense League type thugs. Denied burial in the Munich Jewish cemetery.

= Haviv Schieber, a Polish Jew and former mayor of Ber Sheeba in Israel, Schieber taught Ernst Zündel much about Israeli reality, attitudes, institutions and borders. He fled Israel to find safety in the USA, was denied political asylum at first, and tried to take his life by slashing his wrists at Washington, D.C. airport on the day of his deportation. He was finally allowed refuge from Israeli persecution in the US in the early 1970s.
