| Hi Ng

|

| this is a picture I've just made to illustrate the em-field.

| How do you like it?

| Are there any faults?

| TH

Not too bad... pity it doesn't move, like this:

<http://www.androcles01.pwp.blueyonder.co.uk/AC/AC.htm>

Thanks. Have to find an animating program. Maybe something like
3ds max..

btw: What do you think about my 'book'?
