Well, I am paying attention, and Alan and Herb have proven their character (or, I should say lack thereof) many times over. How many times do I have to ask Alan to retract that offensive allegation that Gus started the fire? And Herb, well, I have yet to see one intelligent post from him.

You're correct; usenet brings out the best and worst in many. However, I've only seen worst out of those two, as well as Hedrick and Mosley. Some people don't have a "best."
