..I had this one forwarded to me just now, and it deserves a reply.

"Paul "Lying Fuckwit" Maxson" <pmaxson@surewest.net> lied:

>*It is amazing that you , Bob and Jorge have made protecting our people and
>property out to be a bad thing after 9-11 you know that?*

..Yet another Maxson lie. Protecting people and property is not a bad thing. What **IS** a bad thing is that you're going around pretending to be a security guard. Putting a tin star and a popgun in your hand is akin to giving a flying manual and a pilot's license to an Al Queda terrorist.

"We now return Paul Maxson and the rest of his inbred family of nutballs and perverts to Killfile Hell where they belong..."
