:> what you do.

:

:Freddy, you have no idea what I do.

El Chimpo, 'dumb' is 100% of what you do here, as this current sample from you shows.

:You were suppose to send me some of  
:your code, remember? I was then going to clean it up and show you what  
:real code looked like. I bet I can cut it down by 25% at least. C'mon  
:Freddy...

Living in Fantasyland again, El Chimpo? You were supposed to be further up on the evolutionary ladder than you apparently are, remember?

Well, no, you apparently don't.

:> :I don't...  
:>  
:> Yes, any sentence with 'think' and you in conjunction has to include a  
:> negative....  
:  
:I think you think a lot of negative thoughts...

No you don't.
