:I post, Rand stupidly receives. Get the verb right.

Get the part of speech right. I think the adverb 'stupidly' goes with you, as you so succinctly demonstrate in your immediately preceding remark.

The verb is receive, retard...

Poor delusional Eric.

hahahaha

I know it's hard, but try thinking about it, Eric. What would I get if I "get out of his killfile" that I don't already get? No gain, no motive.

So what is your motive for posting at all? To prove your superiority?

The question is simply a response in kind to yours.

No it isn't. You're vulgar. What would your mother say if she read your post?

:>

:  
:Oh, you do...

Then again, perhaps you can't, since it's just another counter-factual statement on your part...

:>

:  
:Ego-driven? Perhaps, but maybe you're wrong as to why I am not in his  
:killfile and why you are?

I don't think so. You're easy to kick around and pathetically ineffective at 'hitting back', Eric, so Rand keeps you around because plumps his ego nicely when you're the opposition.

If I'm so pathetic how come I haven't gone, run and hid? But I have shown Rand to be the pompous ass that he is. Your's and Rand's politics are similar and different than mine. That is all. If I'm so useful as entertainment then how come I continue to throw wit your's and Rand's way that you can't counter nor best? Yes, I actually laugh at both of you with your smugness. You both know nothing about me and if you really did, you'd both end up retracting most of what you have said about me.

Freddy, I'm still here. You have failed to drive me off. The opposite really. So, what have you and Rand done again?

Re: FWD: He's Dead Jim! Saddam Hussen hanged until he was dead, dead, dead!

That didn't work out so well for him with me...

So when you killfiled me earlier I had you like you have Rand now? I stuck a huge spike in your ego? C'mon spell out why when you killfiled me it was different than why Rand has you killfiled now.

Did you think I would forget that? hahahaha

:>

:  
:Where? You seem to like hiding them then.

Well, you probably can't recognize what you've never had, El Chimpko...

I'd run circles around you, Freddy...

:>

:

In your case, I suspect that Preparation H is more likely...

I'm teaching you, Freddy. Are you learning?
