Bush is destroying F-14 while we are at War in the Middle East. Violating the Second Amendment. I would say that's an impeachable offense. Who knows how big this War is going to get, we might need the F-14s. Sell them to the American Public, instead of spending money destroying them.

Bush really needs to be impeached before he can do any more damage to our Country.

Sure sounds like he thinks the Constitution is just a "....
