One doesn't have to be 'angry' to point out someone is being egregiously stupid. Henry isn't immune from doing that on occasion. We all do.

The difference is that you're such a nitwit that you think someone pointing out your far too frequent bouts of idiocy must be 'angry'.

Translation: I poke fun at your ego and you go nuts.

As usual, El Chimpko's mental deficiencies prevent him from understanding what's been said to him.

Sounds you you have confused me with you.

Re: VTVL?

Sorry the concept flew over you head. Let me know when you're able to have a baby
Mr. Misogynist.

Boring, Chimpko...

I'm sure that is how women view you.
