On Mon, 24 Mar 2008 10:42:58 -0700 (PDT), in a place far, far away,
Eric Chomko <pne.chomko@xxxxxxxxxxxx> made the phosphor on my monitor
glow in such a way as to indicate that:

C'mon, tell us what you really think of Michael Moore your Flint,
Michigan bretheran...

He's not from Flint.

What difference does it make what I think of him? What does that have
to do with anything?

Oh, right. You're an idiot.
