I found this countdown to
launch
-<http://science.ksc.nasa.gov/shuttle/countdown/count.html>

Anybody know where the Launch to Orbit sequence is
located, please?

Urgent request

OD

Dudes – This is really urgent.

Can anybody help?

Google

Jeff

Re: Launch (countup) sequence to orbit

"They that can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety"

– B. Franklin, Bartlett's Familiar Quotations (1919)

Well I really was hoping for help.

Never mind, project completely screwed now...

Thanks

OD
