That's going to be one huge taxi bill! Better double check how far it is
from Orlando to KSC. Don't forget that the best (only?) route there
includes toll roads

Not the only. From the airport, you can go up Semoran to Colonial
(SR-50) and east to Titusville. More traffic, but the toll booths on
528 around the airport can be chaos, too.

I still think driving from Miami is the way to go. Avoid the airport
logjam and be on your own timetable.

Orlando or Miami, it doesn't matter, still would be affected by
logjams. Still have to get on 50 or 528. You are screwed either way
