Would you agree that the pimary way to make money in the market using Elliot Wave Theory is to sell books on Elliot Wave Theory?

Best,

Abe

> ELLIOT WAVE PRINCIPLE
>
> The Definitive Resource on Elliot Wave Theory and Application....
>
> This hardcover book covers fundamentals, use, and market forecasting. At 248 pages, this book provides detailed information on Wave formation, Mathematical Patterns, Wave Approaches, and Ratio Theory. By reknown Elliot experts Robert Prechter and Alfred John Frost − there is no better resource in understanding, applying, and profiting from Elliot Wave Theory.
