(From a Portuguese proverb:
Um mentiroso apanha-se mais facilmente que um coxo).

Bob wrote

*** So, Afonso, what happened to your claim that you had a program on 4/20/06 about the birthday problem, and that the "one-line program" I posted was on 4/21/06 when I posted it on 4/14/06, and stated in that post that I had that same one-line program 30 years before?***

The FACTS

Titles of the posts arrived at Sci. stat. math. on 4/14/0:

- *** Bi-lognormal correlation
- *** Request for help with interpretation interactions in MR.
- *** Birthday matching in the day of the week
- THIS THREAD IS MINE (no responses)
- *** Excellent example for check up by statistician s professionals
- *** Logistic regression with PROCLOGISTIC
- *** Birthday Matching Problem History
- THIS THREAD IS MINE (no responses)
