The population variance σ^2 is independent of the sample. It depends only on the distribution. Jack ***

This *morceau* (of shit) appeared in consequence of my post

From this episode a full thread of nonsense between the TWO CLOWNS of this News: Bob Reef Fisf (=yurra)and Jack Tomson.

You miscounted AGAIN, and misspelled two of the three names! Yurra is NOT Bob, or Reef Fish or Reef Fisf. And there ain't no Jack Tomson in your LAAF thread. LOL!

Because an ass ears always other ass (even if it is far away) Bob (Reef Fish) heehaws too in unison.

____licas (Luis A. Afonso)

Luis A. Afonso, there are SIX little "It this sufficiently clear" questions waiting for you to answer, relative to your Long Ears.

— Reef Fish Bob.
