I came across a nice introduction to new student microscopes from Leica.

[http://www.leica-microsystems.com/website/products.nsf?open&path=/website/products.nsf/\(allids\)/3a9b516a700660](http://www.leica-microsystems.com/website/products.nsf?open&path=/website/products.nsf/(allids)/3a9b516a700660)

It seems that they studied how students are using microscopes and came up with some clever ideas to make life easier not only for the student but also for teachers.

Stephan
